Hear from You!

As the reader of *CFDESIGN USER GUIDE* book, you are our most important critic and commentator. We value your opinion and want to know what we were doing right, what we could do better, what areas youd like to see us publish in, and any other words of wisdom you are willing to pass our way.

As an associate publisher for Sams Publishing, I welcome your comments. You can email or write me directly to let me know what you did or did not like about this **CFDESIGN USER GUIDE** book—as well as what we can do to make our books better.

Please note that I cannot help you with technical problems related to the topic of this book. We do have a User Services group, however, where I will forward specific technical questions related to the book.

When you write, please be sure to include this books title and author as well as your name, email address, and phone number. I will carefully review your comments and share them with the author and editors who worked on the book.
