# STARTERS

---

**STARTERS** is a tutorial book organized into a series of easy-to-follow a-minute lessons. These well targeted lessons teach you in a-minutes what other books of starters might take hundreds of pages to cover. Read online and save to your devices starters PDF.

## Who This Book Is For:

The book **STARTERS** is for experienced who want to learn what's different about **STARTERS**, you will also find this book useful.

## STARTERS book:

This book, by all means, please let people know. Amazon reviews of **STARTERS** books are one popular way to share your happiness (or lack of happiness), and you can leave reviews on this **STARTERS** book.

There's also a link to errata there, which readers can use to let us know about typos, errors, and other problems with the book. Reported errors will be visible on the page immediately, and we'll confirm them after checking them out. We can also fix errata in future printings of the book and on Safari, making for a better reader experience pretty quickly.

We hope to keep this book updated for future mobile platforms, and will also incorporate suggestions and complaints into future editions.

## Copyright

All rights reserved. No part of this book shall be reproduced, stored in a retrieval system, or transmitted by any means, electronic, mechanical, photocopying, recording, or otherwise, without written permission from the publisher.

No patent liability is assumed with respect to the use of the information contained herein.

Although every precaution has been taken in the preparation of this book, the publisher and author assume no responsibility for errors or omissions. Nor is any liability assumed for damages resulting from the use of the information contained herein.

## Trademarks

All terms mentioned in book of **STARTERS** that are known to be trademarks or service marks have been appropriately capitalized. Publishing cannot attest to the accuracy of this information. Use of a term in this book should not be regarded as affecting the validity of any trademark or service mark.

## Warning and Disclaimer

Every effort has been made to make this book as complete and as accurate as possible, but no warranty or fitness is implied. The information provided is on an "as is" basis. The author and the publisher shall have neither liability nor responsibility to any person or entity with respect to any loss or damages arising from the information contained in this book or from the use of the CD or programs accompanying it.

**Hear from You!**

As the reader of *STARTERS* book, you are our most important critic and commentator. We value your opinion and want to know what we were doing right, what we could do better, what areas you'd like to see us publish in, and any other words of wisdom you are willing to pass our way.

As an associate publisher for Sams Publishing, I welcome your comments. You can email or write me directly to let me know what you did or did not like about this **STARTERS** book—as well as what we can do to make our books better.

Please note that I cannot help you with technical problems related to the topic of this book. We do have a User Services group, however, where I will forward specific technical questions related to the book.

When you write, please be sure to include this book's title and author as well as your name, email address, and phone number. I will carefully review your comments and share them with the author and editors who worked on the book.
